## Leadership in Supervision N0645

This 6-day course is the combination of the three 2-day courses within the Leadership in Supervision Series: Creating Environments for Professional Growth (Course 0646), Perspectives in Thinking (Course 0647), and Frameworks to Success (Course 0648).

This series presents the fire and emergency medical services (EMS) supervisor with the basic leadership skills and tools needed to perform effectively in the fire and EMS environment, to successfully transition to supervisory and leadership roles, and establish a conceptual foundation and framework for success in leadership roles by exploring creative, analytical, political and critical thinking perspectives.

Topics in the course include: adaptive leadership, change management, active followership, effective communication including difficult conversations, advocacy-inquiry based dialogue and persuasion, ethics, authority, power, decision-making assessing situations from multiple perspectives, fostering creativity and innovation, professionalism, resilience, emotional intelligence, situational awareness, managing conflict, delegating, mentoring, coaching, empowerment, and building collaboration and synergy for professional growth.

The course includes the development of a personal plan for active engagement in the provision of leadership in supervision.

**This course meets the requirements of the Managing Officer Program for completion of Leadership I, II, and III.**
