This two-day course is designed to develop the decision-making skills needed by Company Officers (COs) to accomplish assigned tactics at structure fires. Review for experienced COs, firefighters who want to become COs, newly promoted COs, and Acting COs will benefit.

Course Information and Materials can be found at:
<https://apps.usfa.fema.gov/nfacourses/catalog/details/10398>

*Leadership is a responsibility to
do more,
not an excuse to do less.*
